

MULTIDISCIPLINARY APPROACH TO ADDRESS ANATOMICAL BARRIERS TO BREASTFEEDING

JANUARY 25, 2024 @ 4:30PM-8:30PM

Lectures will begin at 5:30 pm at the

Dupont Resource Center

**Hosted by Northern Indiana Lactation Consultants
Association a chapter of USLCA**

Come for an evening of appetizers, networking, and education. We will be delving into oral issues that may lead to difficulties with latch, suckling and effective breastfeeding, as well as modalities and treatments that help to support families and promote the breastfeeding relationship.

**Application has been made for 2.5 IBCLE CERP's
recognition and 2.5 Contact Hours (CE's)**

Lutheran Health Network is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. Attendance of a full event and submission of post event evaluation required in order to receive contact hours. No one with the ability to control content of this activity has a relevant financial relationship with an ineligible company

There will be a Silent Auction as a fund raiser for our organization and a door prize awarded at the end of the evening. Please register to attend! All funds collected are used toward future scholarships to further lactation education.

*PLEASE REGISTER and pay (\$45) for this event through our
website, NINLCA.org*

Lutheran Health Network includes hospitals owned in part by physicians.
